

Curriculum Vitae

Erik N. Gómez Baggethun

Personal data: Erik N. Gómez-Baggethun: Born Madrid, 8 July 1980. Nationality: Spanish and Norwegian.

Affiliations: Research fellow at the Institute of Environmental Science and Technology, Building C5b impares, 1st floor, Faculty of Sciences-Campus de la Universitat Autònoma de Barcelona 08193-Bellaterra Cerdanyola del Vallés, Spain. Tel +34 935868550; Fax +34 935863331; e-mail: erik.gomez@uab.es; <http://icta.uab.es>

Associate research fellow at the Social-Ecological Systems Laboratory, Departamento of Ecology, C/ Darwin 2, Edificio de Biología, C-201, Universidad Autónoma de Madrid, Cantoblanco 28049-Madrid, Spain. Tel +34 914978008; Fax +34 914978001; e-mail: erik.gomez@uam.es; <http://www.uam.es/gruposinv/socioeco/>

Research interests: General: ecological economics; political ecology; institutional theory. Specific: ecosystem service accounting and valuation; Payments for Ecosystem Services; resilience analysis; adaptive management

Language skills: Spanish (native); Norwegian (advanced level); English (expert level); French (advanced level).

RESEARCH POSTS AND ACTIVITIES

2010-2011. Post-doc research fellow at the Institute for Environmental Science and Technology, Autonomous University of Barcelona. Barcelona, Spain.

2005-2010. Researcher at the Department of Ecology of Universidad Autónoma de Madrid.

Since 2008. Environmental consultant in the fields of accounting and valuation of ecosystems services, market based instruments in environmental policy and conservation, and resilience theory.

QUALIFICATIONS

2010. *PhD* in Ecology and Environmental Sciences at the Universidad Autónoma de Madrid, supervised by Professor Carlos Montes (UAM) and Professor Rudolf de Groot (Wageningen University).

2005. *Certificate of Teaching Competency* at Instituto de Ciencias de la Educación, Universidad Complutense de Madrid, Spain.

2004. *Diploma de Estudios Avanzados* (equivalent to MSc) in Ecology and Environmental Sciences at the Universidad Autónoma de Madrid, Spain (2003-2004).

2003. *Diplôme d'Etudes Universitaires Françaises* (DEUF) at the École Supérieur Européen: Ingénierie de l'Espace Rural (IER) at Université Jean Moulin Lyon III, Lyon, France.

2003. *Licenciatura* in Environmental Sciences at Universidad Autónoma de Madrid, Spain.

STAYS ABROAD

2011. Visiting research fellow at the Norwegian Institute for Environmental Research, Oslo Centre for Interdisciplinary Environmental and Social Research, Oslo, Norway (August-September).

2008. Visiting research fellow at the Stockholm Resilience Centre, Stockholm University. In collaboration with Professors Per Olsson and Carl Folke. Stockholm, Sweden (September-December).

2007. Visiting research fellow at the Environmental Systems Analysis Group, Wageningen University. In collaboration with Professor Rudolf De Groot. Wageningen, The Netherlands (March-May).

2004. Working stays at the Nature Conservation Department, Oppland, Norway, May-August 2003 and at the Rondane National Park, Hedmark, Norway (July-September).

2003. Erasmus student at the École Supérieur Européen: Ingénierie de l'Espace Rural (IER), at the Université Jean Moulin Lyon III. Lyon, France, (September 2002 - May 2003).

ADDITIONAL TRAINING

Advanced and specialization courses

2008. Methods and tools for environmental appraisal and policy formulation. Emerging Theories and Methods in Sustainability Research, Marie Curie Summer School. Faculty of Sciences and Technology, Lisbon, Portugal, May 26-June 6.

2007. Institutional Analysis of Sustainability Problems. Emerging Theories and Methods in Sustainability Research, Marie Curie Summer School. Slovak Academy of Sciences, Tsarà Lesná, Slovakia, 18-29 June.

2007. Integrated Assessment in Regional Planning and Management. University of Wageningen, Wageningen, The Netherlands, March 05-April 15.

2006. Analysing Complexity. Emerging Theories and Methods in Sustainability Research, Marie Curie Summer School. Universidad Autónoma de Barcelona, Barcelona, Spain, 7-17 June.

2006. Critical dimensions for a sustainable territorial planning in South Europe: tendencies, situation and future perspectives. Transnational Seminary ESPON (ECP). Spanish Ministry of the Environment, Spanish Sustainability Observatory, Universidad de Alcalá de Henares, Madrid, Spain, May 2006.

2004. Advanced seminar in integral water management by river basins. Azahar Program. Spanish Ministry of the Environment and Spanish International Cooperation Agency, Universidad de Alcalá de Henares, Madrid, Spain. June 2004.

2004. PhD Courses in Ecology and Environmental Sciences. Interuniversity Department of Ecology, Universidad Alcalá de Henares, Universidad Autónoma de Madrid and Universidad Complutense, Spain.

2003. Advanced Course on Recovering, recycling, regeneration and destruction of substances that deplete the ozone layer. Spanish Ministry of the Environment, Balsaín, Spain, February 2003.

PRIZES AND SELECTED SCHOLARSHIPS

2011. Extraordinary prize to PhD dissertations defended in 2010, Universidad Autónoma de Madrid.

2010. European quality award to PhD dissertations 2010 for the thesis 'To Ecologise Economics or to Economise Ecology: Theoretical issues and operational challenges in ecosystem services valuation'

2006-2008. Three Marie Curie scholarships from for attending the series Emerging Theories and Methods in Sustainability Research (THEMES), Framework Program of the European Union.

2007. International mobility scholarship from the Universidad Autónoma de Madrid for a research stay at the Environmental Systems Analysis Group, University of Wageningen. The Netherlands.

2005-2010. Scholarship from the Spanish Ministry of the Environment for the realization of a PhD thesis.

RESEARCH PROJECTS

International research projects

2012-2015. Urban Biodiversity and Ecosystem Services (URBES). Funded by the Pan-European call for international research projects on biodiversity and ecosystem services. Funded by BODIVERSAS (Cooperation and shared strategies for biodiversity research programmes in Europe).

2012-2015. Assessing the effectiveness of community-based management strategies for biocultural conservation (COMBIOSERVE). Funded by the 7th Framework Program of the European Union.

2010-2012. Construction ahead: The effects of roads on indigenous people's well-being and use of natural resources. A natural experiment in lowland (TIPNIS). Funded by the Cultural Anthropology Program of the National Science Foundation, United States.

2010-2011. The Economics of Ecosystems and Biodiversity (TEEB II). Funded by the United Nations Environmental Programme, the European Commission, the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety and EU Directorate General for the Environment.

2010-2011. Ecological distribution conflicts derived from economic development in the Reserve of the Biosphere Ciénaga Grande de Santa Marta: an analysis of ecosystem services from political ecology. Funded by Plan de Ciencia, Tecnología e Innovación-FONCIENCIAS, Magdalena University, Colombia.

2008-2009. European Ecosystem Assessment (EURECA). Financed by the European Environmental Agency and European Topic Centre-Land Use and Spatial Information (ETC-LUSI), European Union.

National research projects

2011-2013. Efecto de la gestión del territorio en la capacidad de la biodiversidad y el paisaje para suministrar servicios a la sociedad: evidencias en tres sistemas socio-ecológicos mediterráneos. (BIOPAIS). Funded by Ministerio de Ciencia e Innovación, Spain.

2011-2013. Factores socioculturales en la pervivencia de la recolección y consumo de plantas silvestres alimentarias y cultivos menores. Estudios de caso en la Península Ibérica y las Islas Baleares. Funded by Ministerio de Ciencia e Innovación, Spain.

2011-2013. Más allá del crecimiento del PIB: condiciones socio-económicas de un decrecimiento socialmente sostenible (CSO2011-28990) (Advisory board). Ministerio de Ciencia e Innovación, Spain.

2008-2011. Millennium Ecosystem Assessment of Spain. Funded by Fundación Biodiversidad and Ministerio de Medio Ambiente y Medio Rural y Marino, Spain.

2008-2011. Economic valuation of biodiversity and ecosystem services from transhumance: implications for the management of Mediterranean agroecosystems in the face of global change. Funded by Ministerio de Medio Ambiente, Medio Rural y Marino, Spain.

2009-2012. Managing National Parks beyond their limits: ecosystem service assessment and mapping as a tool for territorial management in the face of climate change. Funded by Ministerio de Medio Ambiente, Rural y Marino and Organismo Autónomo de Parques Nacionales, Spain.

2008-2010. Ecosystem Assessment of Bizkaia. Funded by Diputación Foral de Bizkaia and Cátedra UNESCO de Desarrollo Sostenible y Educación Ambiental de la Universidad del País Vasco, Spain.

2008-2009. The cultural dimension as a tool in cooperation for development: strategic action plans. Funded by the Spanish Agency for International Cooperation and Development (AECID), Spain.

2005-2009. Ecosystem assessment of the marshes of Doñana in the framework of the Doñana 2005 project. Funded by the Spanish Ministry of the Environment, Spain.

2004-2007. Towards a sustainable management model for the Doñana region. Funded by the Regional Government of Andalucía, Spain.

2002-2003. Landscape restoration in degraded areas of the Ecrins National Park. Rhone – Alpes, France. Funded by the Département de Rhône – Alpes and École Supérieur Européen, France.
